ANNOUNCEMENTS BREED THEATRE.

In Northern Forests, the brilliant and thrilling picture that is holding the attention of all lovers of truly life-like and picturesque films, is the feature picture of the Bréed today. A criminal on the way to state's prison is attracted by a little girl on the train, both leaving the train at the same station. One day the criminal escapes, and almost simultaneously the little girl wanders off into the escapes, and almost simultaneously the little girl wanders off into the woods and is lost. Strangely enough, the child comes upon the exhausted criminal who has fallen by the way and recognizing him, she accepts his attention, soon falling asleep. Soon the woives are heard and the criminal is forced to climb a high tree with the little girl clinging to his back to escape the wolves. Here the pair is found by the sheriff and posse who return the child to her parents, and the kind-hearted prisoner to the penstentfary. The grateful parents are anxious to do all in their power to assist the fellow and start immediately to circulate a petition to the gov-ernor for the dismissal of the hero-

A magnificent story of the picturesque old missions is shown under the title of the Novice, and is a very clever and beautiful film-portrayal.

KINGSTON FAIR.

37th Annual County Fair Opens September 12

Fair time is here again, and from every indication this year's fair at West Kingston will surpass any previously held in Rhode Island.

The management have contrived to make it an occurrence of interest and importance to numbers of people, not only in the south county but throughout the state. out the state.

The South County Fair has all the well known fair features which New Englanders everywhere have learned to live. The exhibitions alone are worth a trip to West Kingston to see. The progress and development of Rhode Island agricultural and live stock interests as recorded in this armual exhibition is such as to send the thrill of pride through every lover

Hudson, N. H., Aug. 16.—Rev. Louis

My Corns Don't **Kurt A Bit.**

Tired, Ailing, Swellen, Smelly, Sweaty Feet, Corns, Callouses and Bunions

Say good-bye to your corns the very first time you use TIZ. You will never know you have a corn, bunion or cal-ous, or sweaty tired, swollen, aching feet any more. It's just wonderful the way the pain vanishes. Rub the corn—hammer it with your fist if you wish—no more pain after TIZ than if there had never been a hiemish on your feet. Doesn't that sound good to you? Doesn't it? Then read this:

"The corus on either of my toes were as large as the tablets you make to cure them. Today there is no sign of corns on either foot and no soreness. It's an ap-to-date Godsend."-Sam. A.

Just use TIZ. It's not like anything eise for the purpose you ever heard of. It's the only foot remedy eyer made with hacts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There's nothing on earth that can compare with it. TIZ is for sale at all druggists, 25 cents per hox, or direct, if you wish, from Walter Cuther Dodge & Co., Chicago III.

Blue chambrey was used to make this design, with tpimming of striped blue chambrey. The fronts are crossed to effect the pretty side closing and are finished with an insert that is very smart.
